

"A World Leader in Customized Dredging Solutions"

FOR IMMEDIATE RELEASE

UNITED STATES DEPARTMENT OF COMMERCE SECRETARY WILBUR ROSS

APPOINTS BOB WETTA TO SERVE ON PRESIDENT'S ADVISORY COUNCIL ON DOING
BUSINESS IN AFRICA

RESERVE, LOUISIANA - On April 26, 2018, Secretary Wilbur Ross, United States Department of Commerce, appointed Bob Wetta, President and CEO of DSC Dredge LLC to serve on the President's Advisory Council on Doing Business in Africa (PAC-DBIA). Bob Wetta named Charlie Sinunu, DSC's Director of International Dredge Sales to his staff and they will help identify commercial opportunities for the United States in the region. Bob Wetta shared, "Being tapped to serve on the Council is an honor and a privilege. I am humbled by the appointment and am committed to providing valuable input and assisting with recommendations for commerce in Africa." Sinunu said, "I have witnessed many changes since my first trip to Africa over 36 years ago. Having the support of the US Government is the key to success."

At DSC Dredge, we help customers make THE RIGHT CHOICE. DSC designs and manufactures high quality, durable cutter suction and underwater pump mining dredges. DSC keystones are Automation, Engineering, Innovation and exceeding customer expectations. DSC Dredge operates from three manufacturing facilities located in Reserve, LA, Poplarville, MS, and Greenbush, MI. For more information about the company and its products, services and customized solutions, please visit www.dscdredge.com and follow us on Social Media.
