

PRODUCERS KEY CONTACT INFORMATION

In order to ensure the pertinent information from NSSGA is reaching the right people in your organization, we're asking for key contact information for your organization. These key contacts will be your specialists in the areas they are identified.

Please take a moment to complete the information below. If the organizational representative (OR) is the key contact for all information, simply check below.

The current OR is the contact for all of the topics noted below and all info should be sent to them.
