Washing 2.0: Lose The Sand Screw, Not The Sand

THURSDAY, 7 MAY
9am (PDT) | 12pm (EDT) | 5pm (BST)

WEBINAR FORMAT:
• A review of current and future market drivers.
• A critique of traditional sand washing methods vs new innovative washing solutions.
• An overview of two producers who have made the switch away from sand screws.
• Open Q&A discussion.
